

Terms of services

- This facility is a nonprofit, faith-based, charitable organization. All of our services are free and most of the services are provided by volunteers. All our medical services are provided by licensed medical professionals.
- The urine pregnancy test is 97% to 99% accurate; however, a physician must confirm the results of your test. Whether the test is positive or negative, you should follow-up with a licensed physician.
- Our advocates are lay people, not necessarily licensed or degreed personnel. The counseling obtained here is not intended as a substitute for professional counseling.
- All information is kept confidential, except if reporting laws apply or if we believe or hear that you are in danger of hurting yourself or others.
- For the privacy of our patients, our center and its agents do not consent to any recording, taping, photographing or videotaping on the premises. Any violation of this policy may result in prosecution.
- Our center does not benefit financially from your decision regarding your pregnancy. We do not perform or refer for abortion, but we do provide information and services so that you are equipped to make an informed choice about your pregnancy.
- Our center takes a holistic approach, which means we help you address your physical, emotional and spiritual health.
- By signing below, you acknowledge that you have been provided the opportunity to review the center's Notice of Privacy Practices.
